Become a Sociologist, Intellectual History Professor, or a Policy Analyst - danso ===== kowdermeister I like to start out by asking students what they are aiming for. If there is no such thing it is not interesting. If it is a generalist path it is ok. But if it's going to be the first specialization then it may not be what you really want. Otherwise it's very hard to tell what is a good course of action without first thoroughly determining what you want to study. my body down to the very bones and the very marrow. I would kiss my own hands, I would kiss my knees, my elbows, and my feet. And, to this day, I kiss my toes. It's like a compulsive thing for me and it's my way of praying for myself. Because in those times I didn't have time for myself. I didn't have time to brush my hair, to wash my face, or to look at myself in the mirror. I was too busy and I was very disciplined. I was a success, I was a good student, and I had everything. But I didn't have time to notice if I was in good shape or if I had a good complexion. And, it wasn't until I was in Paris that I started to live a little bit like I did in India. I began to dress in a more modest way, I started to take time to look at myself in the mirror, I started to take time to look at my hair, and I began to take time to moisturize my skin. I began to take time to take care of myself and to listen to my inner self. And, when I got to Paris I found a boyfriend and
